

INFORMED CONSENT AND ACKNOWLEDGEMENT OF RISK

The purpose of this document is to ensure that persons under the age of 19 have permission from their parent or legal guardian to participate in the various adventure activities provided by Rope Runner Inc. (hereinafter referred to as Rope Runner). It is also designed to provide some information regarding the hazards and risks that are present when climbing and playing at Rope Runner, to help parents or legal guardian make informed decisions regarding their child's participation.

Rope Runner is a high ropes course and aerial park located in Squamish, British Columbia. Since 2017, Rope Runner has been providing aerial adventure activities to thousands of children. Such aerial adventures include:

- Use of Ziplines, suspended bridges, ladders, slack lines, nets and other aerial challenges;
- Orientation, instruction and safety demonstration sessions;
- Other activities, events, and services in any way connected with or related to aerial adventures or team building.

Participants are safely attached to a smart link system and full body harnesses that keep the climbers safe and connected to a safety line at all time. Trained instructors teach appropriate safety skills, use of safety equipment, and supervise course participation as the group proceeds through park. While we strive to manage risk, it is not possible to eliminate all risk. Physical risk is inherent to such activities and must be assumed by the Participant. Such risks include but not limited to:

Negligence of other participants and other persons; Changing weather conditions which may cause climbing elements to become slippery; Equipment failure, failure to properly adjust or fasten equipment, and improper use of equipment; Falls, over-exertion, and failure to remain within designated areas; Impact or collision with other participants, equipment, ropes, wires, and steel structure; Exposure to cold, wet or windy weather. Negligence on the part of Rope Runner to take reasonable steps to safeguard or protect participants from the risks, dangers, and hazards or participating in adventure activities referred to above.

CONSENT: Must be signed by a Parent/Legal Guardian, and provided to Guest Services, before minor Participant will be allowed to participate.

I, the undersigned freely and willingly give permission for (print participant name) _____ to participate in Rope Runner activities, and I am aware of, and understand, the risks, dangers, and hazards associated with Rope Runner. I agree that this agreement shall in all respects, be governed by and interpreted in accordance with the laws of the Province of British Columbia.

Guest Preparation Guide

At Rope Runner Aerial Park, people engage in active outdoor adventures. Elements and site activities provide products and experiences (along with equipment and training) that encourages problem-solving skills, self-confidence, communication, and teamwork.

Note: Rope Runner's activities are conducted rain or shine. Participants are advised to dress for the outdoors and any weather conditions by dressing in layers to suit a variety of conditions.

- Recommended apparel for fall and spring: fleece or thick sweaters over a tee or long-sleeve shirt, and long pants.
- Recommended apparel for summer: tee-shirt and knee length shorts or pants.
- Footwear must be always closed-toed and secured to the feet.
- Depending on weather, you may also want to include: rain wear, hat, sun screen, gloves, or a complete change of clothing in case your child gets wet or wishes to change for comfort.
- Do not forget to provide your child or group leader with any medication your child may require while outdoors, and/or over the visit period.

To participate in the Rope Runner experience, all guests must meet Park Rules and (applicable) Element Requirements.

Rules of Play:

- Smoking is not permitted around elements or in the park.
- There is a zero tolerance for alcohol and drugs before or while participating in any Rope Runner Element.
- Guests must be in good health and not subject to dizziness or motion sickness; must be free from high blood pressure, heart-attack, back or neck problems; must not be pregnant.
- Must tie all hair back
- Must be wearing closed toed shoes.
- Jewelry and loose objects that could get caught in equipment must be removed.
- Instructions of Rope Runner employees must be always adhered to. Employees are empowered to remove any guests from and Element in the Park if deemed necessary for their, or other, safety (without warning or refund).
- Participants are fit into a harness by an Aerial Park Guide and attend a demonstration session where they are shown how to navigate the course and must prove their ability to properly use the equipment and manage their risk before proceeding.
